

Critical Information Summary - ALDImobile \$249 1 Year Super Pack

Information about the service

This is an optional prepaid plan for customers who have their own compatible mobile handset. The plan includes an ALDImobile SIM card (in case you do not already have one). You do not require a current ALDImobile Pay As You Go (PAYG) base plan, except that you will not be able to use features that are not included in the plan charge (e.g. video MMS) unless you also have some PAYG credit. The plan lets you make and receive voice calls, and send and receive SMS, MMS and data. ALDImobile services are for **personal use only**. You can view details for the [1 Year Super Pack on our website](#).

The ALDImobile \$249 1 Year Super Pack can be purchased online from 27 June 2018 and before 30 June 2019 by customers who previously had a 1 Year Super Pack on their service.

Minimum term	None
When your prepaid credit expires	After purchase your prepaid credit expires and any unused allowances are forfeited at the end of your 'credit validity period' which is the earlier of: <ul style="list-style-type: none">• 365 days; or• when you purchase another Value Pack, Super Pack or a Data Pack (except a 3GB Data Add-on for the 1 Year Super Pack).
Inclusions	The following services are provided during your credit validity period within Australia: <ul style="list-style-type: none">• unlimited standard calls to national fixed lines and standard national mobile, 13/1300, 18/1800, and voicemail;• unlimited standard national SMS to other Australian mobiles;• unlimited standard national MMS (video MMS excluded) to other Australian mobiles; and• 80GB of data ("standard data allowance" for this 1 Year Super Pack).
Data Rollover	All unused data allowance in your credit validity period (including any Data Add-ons) and any and all accumulated rollover data, may be rolled over indefinitely without expiry but only if an equal or higher priced eligible Super Pack is acquired within 24 hours of expiry of the previous Super Pack. Otherwise, unused data and accumulated rollover data are forfeited. Data Add-ons are added to your Super Pack's standard data allowance and the combined balance is consumed before accumulated rollover data (if any).
Exclusions and limitations	All non-personal, commercial, machine-to-machine or overseas use is excluded. Standard calls exclude calls to international numbers, satellite numbers and premium numbers (e.g. 19xx numbers) and call forwarding. Standard national SMS and MMS excludes messages to international numbers, satellite numbers and premium numbers. Standard MMS excludes video MMS. Calls to some SENSIS numbers (1234, 12455, and 12456), and 19xx numbers are not available on ALDImobile.
Acceptable Use Policy	ALDImobile services are provided for personal use and not for commercial use or for use as a permanent connection. Data included in ALDImobile services is not designed to replace a home Internet connection. For more information refer to the ALDImobile Acceptable Use Policy at www.aldimobile.com.au/legals

Information about pricing

Minimum monthly charge	N/A
Maximum monthly charge	N/A
Early termination charge	None, but if you cancel your service, any remaining credit will not be refunded.
Cost of 1MB of data in Australia	\$0 per MB for use of the 80GB included data. Unless you have a Data Add-on as described below, additional data is charged at 5c per MB. This is deducted from your PAYG credit balance. If you do not have any PAYG credit, you will not be able to use any additional data and you will need to top up your PAYG credit or buy a data add-on as described below

Additional data (Data add-on)	You can buy an additional 3GB of data for \$15 (0.5c per MB), 20GB for \$50 (0.24c per MB), 50GB for \$100 (0.19c per MB), at any time during your credit validity period and any additional data allowance you purchase expires when your 1 Year Super Pack expires. For example, if you buy an additional data allowance when you have only 3 days left until your Super Pack expires, you will only have those 3 days to use that additional data allowance. There is no limit to the number of Data Add-ons you can buy during the credit validity period of your 1 Year Super Pack but you can only have a maximum of 200GB of data above your original pack allowance at any one time . Data Add-ons will be added to your data balance at time of purchase.
Data sessions	Your data usage is measured per kilobyte and rounded up to the nearest kilobyte.
International calls and other non-standard Calls	Calls and messages to other international numbers and other non-standard calls cannot be made using your Value Pack. They can only be made using your available PAYG credit. Video MMS cannot be sent using the 1 Year Super Pack. They can only be sent using your available PAYG credit. Please see www.aldimobile.com.au/legals for our Rates documents where you will find the prices for international calls and PAYG call rates.
International roaming	<p>International roaming is available in selected counties. Before you can use your phone overseas you must log into My ALDImobile at www.aldimobile.com.au and enable your service for international roaming.</p> <p>PAYG credit is required to use international roaming. The charges to send SMS, make and receive standard calls, as well as using data when roaming are higher and will vary for each applicable country. Refer to our roaming charges at: www.aldimobile.com.au/roaming</p>
