Also very important information

How to purchase	Family Plan can be purchased online or over the phone using PAYG credit and/or the credit card stored on your account.
When your prepaid credit expires	<p>Except for data that can be rolled over (see below), your prepaid credit expires and any unused allowances are forfeited at the end of your 'credit validity period' which is the earlier of</p> <ul style="list-style-type: none"> 30 days (at 11:59pm AEST/AEDT) or; When you purchase another ALDI mobile Plan or Pack
Cost of 1MB of data in Australia	<p>0c per MB for use of the included or rollover data. Unless you have a Data Top Up as described below, additional data consumed by the Owner and each User once the Plan entitlement has been exhausted is charged at 5c per MB and will be deducted from individual PAYG credit balances. The Owner and Users will not be able to use additional data if they do not have available PAYG credit on their individual service – you will need to top up each service with PAYG credit or buy a Data Top Up or another Family Plan.</p> <p>Once a User reaches a data limit imposed by the Owner, additional data is consumed from their individual PAYG credit balance at 5c per MB. Setting a limit does not entitle a User to consumer data above the overall Family Plan data balance.</p>

Data rollover	All unused data allowance in your credit validity period (including any Data Top Ups) and any and all accumulated rollover data, may be rolled over but only if another Family Plan is acquired within 24 hours of expiry of the previous Family Plan. Otherwise, unused data and accumulated rollover data are forfeited and will not be refunded or reinstated. A Family Plan's standard data allowance is consumed before any available rollover data.
Additional data (Data Top Up)	Purchase an additional 3GB for \$15 (0.48c per MB) at any time during your credit validity period, up to a maximum of 40GB above your included plan allowance at any one time. Data Top Ups expire at the same time as your Family Plan. Unused data may be eligible for rollover, if rollover criteria is met, otherwise it is forfeited.
Data sessions	Data usage is measured per kilobyte and rounded up to the nearest kilobyte.
International roaming	International roaming is available in selected countries. Before you can use your phone overseas, you must log into My ALDImobile at www.aldimobile.com.au and enable your service for international roaming. PAYG credit is required to use international roaming. The charges to send SMS, make and receive standard calls, as well as using data when roaming are higher and will vary for each applicable country. Refer to our roaming charges at aldimobile.com.au/roaming .
International Calls, SMS and other non-standard calls	\$0 for selected call types and SMS to unlimited international calls and SMS countries. See website for full list. Calls made and SMS sent to countries other than unlimited international call/SMS countries will be charged against either included international minutes/SMS or your PAYG credit, depending on the location. See the list of eligible countries on our website. Once the included minutes/SMS are used, any further calls/SMS will be charged against your PAYG credit. Calls/SMS to other international numbers and other non-standard calls can only be made using your available PAYG credit. See aldimobile.com.au/legals for our PAYG rates document.
Exclusions and limitations	All non-personal, commercial, machine-to-machine or overseas use is excluded. Refer to our Acceptable Use Policy at aldimobile.com.au/legals for more information. Standard calls exclude calls to international numbers, satellite numbers and premium numbers (eg. 19xx numbers) and call forwarding.
