

Customer Terms

1. ABOUT OUR CUSTOMER TERMS

These are the terms and conditions of MEDION Australia Pty Ltd ABN 58 106 611 330 ('we', 'us', etc) for all mobile communications goods and services that we supply branded ALDImobile. They are a standard form of agreement for the purposes of section 479(2)(b) of the *Telecommunications Act 1997*. They can be referenced as our 'Customer Terms'.

2. START DATE

This edition of our Customer Terms applies to PAYG Base Plan, Value Packs, Data Add-ons, Data Packs and 1 Year Super Packs and Family Packs that are purchased on or after 28 November 2018, except that clause **15.4** below applies to all Services that are currently active (including any previous recharges of those Services). Otherwise, Services purchased before that date are subject to our published terms and conditions as at the date of purchase.

3. INTRODUCTION TO OUR SERVICE

We supply the Service to our customers.

3.1 Our Service

Our **Service** includes:

- (a) 'Pay As You Go' or 'PAYG' or 'PAYG Base Plan' services – where you prepay an amount and some of it is consumed in accordance with our Rate Tables (see clause 3.6 below) each time you make a call, send an SMS or MMS or send or receive data. You must have an active PAYG Base Plan to be eligible to purchase Value Packs, Data Add-on, 1 Year Super Pack, Data Pack or a Family Pack. If you don't have Credit in your PAYG Base Plan, you will not be able to use features that are not included as part of the Pack.

The Owner and each User in a Family Pack have separate PAYG base plans for individual use which are not shared.

- (b) 'Value Packs' – where you prepay an amount that entitles you to:
 - (i) unlimited standard call minutes;
 - (ii) unlimited standard SMS and MMS;
 - (iii) a data send/receive allowance;
 - (iv) in some cases – an allowance of international SMS and call minutes from Australia to selected countries (included international SMS and call minutes);
 - (v) in some cases – unlimited international SMS and calls from Australia to selected countries (unlimited international SMS and calls);
 - (vi) the right to purchase Data Add-ons for an extra charge; and
 - (vii) any other entitlements we offer.

These packs always have the words 'Value Pack' in their product name.

- (c) 'Super Packs' – where you prepay an amount that entitles you to:
 - (i) unlimited standard call minutes;
 - (ii) unlimited standard SMS and MMS;
 - (iii) a data send/receive allowance;
 - (iv) the right to purchase Data Add-ons for an extra charge; and
 - (v) any other entitlements we offer.

These packs always have the words 'Super Pack' in their product name.

- (d) 'Data Add-ons' – where you prepay an amount that adds extra data to the data allowance of a Value Pack, Family Pack or a Super Pack. You must have a current Value Pack, Family Pack or Super Pack in place to be eligible to purchase a Data Add-on. Some Data Add-ons may only be compatible with specific Packs and there may be a limit on:
 - (i) The number of Data Add-ons you can purchase and/or;
 - (ii) The maximum additional data you can have at any one time.
- (e) 'Data Packs' – where you prepay an amount that entitles you to a send/receive data up to the pack allowance. You must have an active PAYG Base Plan to be eligible to purchase a Data Pack. These packs always have the words 'Data Pack' in their product name.
- (f) 'Family Packs' – where you prepay an amount that entitles you to:
 - (i) unlimited standard calls for up to 4 included services – 1 Owner and 3 Users;
 - (ii) unlimited standard SMS and MMS for up to 4 included services – 1 Owner and 3 Users;
 - (iii) a **shared** send/receive data allowance with an ability for the Owner to set limits for each user;
 - (iv) Unlimited international SMS and Unlimited international calls from Australia to selected countries for the Owner and each User;
 - (v) the right for the Owner to purchase a Data Add-ons for an extra charge; and
 - (vi) any other entitlements we offer.

These packs always have the words 'Family Pack' in their product name.

Value Packs, Data Packs, 1 Year Super Packs and Family Packs are alternatives to each other, so you can only have one on your service at any one time. This means that if you purchase another pack before the expiry of the one active on your service, you will terminate the original, all credit will be lost and will not be refunded.

If you are a Family Pack Owner and you recharge with a Pack other than a Family Pack or remove yourself from the Family Pack, you will terminate the entire Family Pack and all services will be separated. All credits on the Family Pack will be lost and will not be refunded. Individual PAYG balances will be maintained.

If you have an existing service and you accept an invitation to join a Family Pack, any Value Pack, Data Pack or 1 Year Super Pack that you have on your service will be terminated and you will lose all credits which will not be refunded. Your PAYG Base Plan balance will carry forward into the Family Pack in the Owner's name for use on your individual service.

Purchasing a Data Add-on will not terminate any Value Pack, Super Pack or Family Pack.

3.2 Plan expiry

- (a) All our products expire after a certain period of time – the **Plan Expiry Period**.
- (b) After the Plan Expiry Period for a PAYG Base Plan ends, any Credit are cancelled and there is no refund of those Credits.
- (c) After the Plan Expiry Period for a Value Pack, Data Pack, 1 Year Super Pack, Family Pack or Data Add-on ends, any Credits are cancelled – unless rollover applies under clause 15 – and there is no refund of those Credits.

3.3 Prepaid Service only

- (a) Our Service is provided on a prepaid basis.
- (b) Any reference to a 'charge', 'cost' or similar for using the Service means a deduction of that amount from your Credits. It does not mean that you will later receive a bill that you must pay.

3.4 Plans

We may offer PAYG Base Plan, Value Packs, Data Add-ons, Data Packs, 1 Year Super Packs and Family Packs in the form of different **Plans** which may each have their own price, description, entitlements, features, limitations, Credit Expiry Period, and special conditions (**Plan Terms**).

3.5 Vouchers and activations

- (a) For some of our Plans, we may sell vouchers that allow you to use the Plan after you activate the voucher on our web site,
- (b) A voucher or its packaging may state a date by which or a period within which it can be activated. If it is not activated by this date or within this period, the voucher lapses and its credit is lost. No refunds will be issued for lapsed vouchers that have not been activated.

3.6 Rate Tables

- (a) For some of our Plans, there is no separate rate for making a call, sending an SMS, etc (e.g. where the Plan includes an allowance of minutes for a certain call type, or unlimited SMS's.)
- (b) Where a separate cost does apply for using the Service (e.g. making a call under a PAYG service), the applicable rates and charges are set out in the **Rate Tables** in the Rates section of our website. Please check the Rate Tables carefully to see what fees and charges apply to your use of the Service.

3.7 Policies

We publish Policies (e.g. an Acceptable Use Policy) that apply to the Service.

4. YOUR CONTRACT

- (a) **Your Contract** consists of:
 - (i) Plan Terms;
 - (ii) Rate Tables;
 - (iii) these Customer Terms;
 - (iv) your application for the Service;
 - (v) Policies.

In case of any inconsistency, a document listed earlier above prevails over a document listed lower.

- (b) You may obtain a copy of the current version of the above documents from us or at www.ALDImobile.com.au.

5. CONSUMER GUARANTEES

- (a) Under the Australian Consumer Law (**ACL**), consumers (as defined in the ACL) have the benefit of certain Consumer Guarantees:
 - (i) that cannot be excluded or modified; and
 - (ii) where the consumer's rights in case of breach cannot be limited by your Contract, or can only be limited to a certain extent.
- (b) Your Contract never operates to exclude or modify the Consumer Guarantees (where they apply) or to limit your remedies for breach of them (in a way that is not permitted by law).

6. LIMITATIONS ON SERVICE

6.1 Personal use only

- (a) You may use the Service for personal use only.
- (b) You must not use the Service:

 - (ii) for business or commercial use;
 - (iii) for machine-to-machine use;

- (iv) to provide a wholesale service (including to transit, refile or aggregate domestic or international traffic) on the network through which we provide Service;
- (v) (including any SIM card) in connection with a device that switches or reroutes calls to or from the network through which we provide the Service or the network of any supplier;
- (vi) to generate mobile voice calls and SMS messages for the purpose of deriving terminating access payments;
- (vii) to generate voice and SMS traffic using SIM boxing or any automated traffic generation arrangement

–
without our prior written consent, which we may withhold in our absolute discretion.

6.2 International Roaming

International Roaming is available in selected countries.

- (a) Before you can use your phone overseas you must log into My ALDImobile at www.ALDImobile.com.au and enable your service for International Roaming. A Family Pack Owner will need to activate International Roaming for each User requiring this feature.
- (b) PAYG credit in your PAYG Base Plan is required to use international roaming. The charges to send SMS, make and receive standard calls, as well as using data when roaming are higher and will vary for each applicable country. A Family Pack Owner and each User will need credit in their individual PAYG base plans to use International Roaming.

See www.aldimobile.com.au/roaming for more information

6.3 Device capabilities

Your use of the Service will partly depend on the quality, condition and capabilities of the handset or tablet you supply. For instance:

- (a) a handset that is only 3G-capable cannot access 4G features of the Service; and
- (b) a tablet may not be capable of making or receiving voice calls or sending or receiving SMS.

6.4 Coverage

- (a) The Service is not available in all areas of Australia. You may obtain actual coverage maps showing where the Service is available in Australia from us or at www.ALDImobile.com.au. You are responsible for inquiring whether coverage is available in the area in which you would normally use the Service.
- (b) In areas that the Service is available, it is technically impracticable for us to guarantee that:
 - (i) the Service is available in each place within an area where there is coverage;
 - (ii) 'drop-outs' will not occur during a call; and
 - (iii) there will be no congestion.
- (c) Due to technical reasons, we are not able to guarantee that calls to '13' or '18' prefix numbers will be diverted to the nearest location for that '13' or '18' prefix number.

6.5 Policies

You must comply with all Policies applicable to the Service.

7. REQUIREMENTS FOR USING THE SERVICE

7.1 To use the Service you must:

- (a) Be 16 years of age;
- (b) have a compatible phone handset or tablet, which you must supply and maintain at your own cost;
- (c) buy an ALDImobile SIM card (if you don't already have one);

- (d) if your SIM card is not already activated, activate it either at www.ALDImobile.com.au or by calling 1300 989 000 (normal charges apply) or 2534 (free call from an ALDImobile). When activating a SIM card, you'll need to:
 - (i) provide us with your details and other information; and
 - (ii) complete an identity verification as required by Australian law;
- (e) select and pay for a PAYG Base Plan (if you don't have a current one with available credit) and if you choose;
- (f) select and pay for any Value Pack, 1 Year Super Pack, Family Pack or Data Pack that you want to have access to.

If you are already a user of the Service and you renew your PAYG Base Plan or add a Value Pack, 1 Year Super Pack, Family Pack or a Data Pack, we call that a **Recharge**.

- 7.2 You may only have five activated ALDImobile SIM cards in your name at one time, including a Family Pack.
- 7.3 You must activate your SIM card before any expiry date shown on the SIM pack (if any). If you do not, the SIM card may be cancelled and unable to be activated.

8. OWNERSHIP AND CARE OF THE SIM CARD

Ownership of the SIM card

- (a) We own the SIM card and it remains our property at all times.
- (b) We may request that you return the SIM card if we issue you with a replacement SIM card or if we no longer supply the Service to you. We may charge you a replacement fee if you do not return the SIM card upon our request.
- (c) You must not interfere with or impair the operation of the SIM card.
- (d) You must keep the SIM card secure and only use it to access the Service.

9. CHARGES FOR THE SERVICE

9.1 You pay for the Service by buying and prepaying for a PAYG Base Plan and any:

- (a) Value Pack, Super Pack, Family Pack and optional Data Add-on; or
- (b) Data Pack –

that you choose.

These prepayments cover all charges for using the PAYG Base Plan and **any Pack** or Data Add-on added to this, up to the limit (if any) of your prepaid entitlements until the applicable Credit Expiry Period ends. When your prepaid entitlements for a PAYG Base Plan, **Pack** or Data Add-on have been used up or expired, you must Recharge to continue using that part of the Service.

9.2 Your prepaid credit for a PAYG Base Plan is reduced:

- (a) each time you make a call, send an SMS or MMS, send or receive data, etc that is not covered by a current Pack – in accordance with our Rate Tables; and
- (b) if you have sufficient PAYG credit in your PAYG Base Plan to do so, and you choose to apply some of it towards buying a Pack or Data Add-on by the amount you apply.

9.3 For a Value Pack and Family Pack:

- (a) your prepaid entitlement for any limited allowance of international call minutes and SMS from Australia (only applicable to some Value Packs) is reduced by the duration of each outbound call you make (rounded up to the nearest minute) and SMS you send to selected countries that have **included** international call minutes and SMS;
- (b) there is **no** reduction to your prepaid entitlement when you send international SMS or make standard international calls to selected countries that have unlimited international SMS and calls.

- (c) your prepaid entitlement to send/receive data is reduced by the amount of data you send/receive, with each data transmission being rounded up to the nearest kilobyte.
 - (d) specific to a Family Pack, all services consume data from the same shared data inclusion subject to any limit imposed on an individual User by the Owner. When a limit is reached, the User will consume data from their PAYG Base Plan Credits at applicable rates unless the Owner raises the limit. A data limit does not entitle a User to send/receive data if the shared data balance has been depleted. Once the shared data balance has been exhausted, all services will consume data from their PAYG Base Plan Credits at applicable rates
- 9.4 For a Data Pack or Super Pack, your prepaid entitlement to send/receive data is reduced by the amount of data you send/receive, with each data transmission being rounded up to the nearest kilobyte.
- 9.5 All usage of the Service via your SIM card and those of Family Pack Users is to your account, whether or not you authorised it.
- 9.6 Our wholesale service provider does not promise refunds or credits where the Service is disrupted or unavailable for any period. Because of that, and to allow us to offer the low prices that we do, we do not promise refunds or credits in those circumstances unless the ACL entitles you to a refund or credit.

10. TRANSFERRING AND FORFEITING CREDITS

- 10.1 Subject to clause 10.4 below, unused prepayments (**Credits**) cannot be converted into or redeemed as cash, refunded or credited.
- 10.2 Except where we expressly give you the option to apply all or part of your Credits to other mobile services or accounts you have with us, you may not do so.
- 10.3 We will transfer any existing Credits:
- (a) if your SIM card is lost, stolen or damaged and you purchase a new SIM card for use with the Service – as long as you purchase the replacement SIM card and request Credit transfer within 10 days; or
 - (b) where your phone number is changed in accordance with clauses 17.3 and 17.4 below.
- 10.4 We will transfer any and all PAYG credit when an existing individual service transitions to or from a Family Pack as either an Owner or User.
- 10.5 If we cancel the service for convenience, we will:
- (a) refund any Credits, not including any special offer Credits that may have been applied; or
 - (b) with your consent, apply those Credits for use on another service you have with us.
- 10.6 If the service is cancelled for any other reason than for convenience (including under clause 23 below), any Credits are cancelled.

11. MINIMUM CREDIT

- 11.1 If your SIM card is active but your Credit balance is zero:
- (a) you can receive calls and SMS;
 - (b) you can make calls that are designated as free e.g. to emergency services;
 - (c) you can make calls to ALDImobile Customer Care on 1300 989 000 or 2534;
 - (d) you can send an SMS to '590' to Recharge your account – but you cannot otherwise use the Service.
- 11.2 You must have sufficient Credits on your account to make outgoing calls, send SMS or MMS, or to use other ALDImobile services.
- 11.3 You cannot make a call or send an SMS or MMS if the Credits in your account are less than the cost of the call, SMS or MMS, except to emergency services, or to Recharge.

11.4 You cannot use data unless you have data Credits under any Pack, (including any Data Add-ons), or sufficient PAYG Base Plan Credits for the data session. In this case, you will be unable to use your handset to Recharge using our website or the ALDI mobile App.

11.5 We may terminate a call or data session without notice if your Credits run out during the call or data session.

11.6 If your Credits are running low we may send a low balance alert, but we are not obliged to.

12. CREDIT EXPIRY
